BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED: <p>On June 3, 1998, Christopher Matthew Clements was convicted in the Circuit Court of the State of Oregon for the County of Multnomah of violating Oregon Revised Statute Chapter 163.411, Unlawful Sexual Penetration with a Foreign Object (two counts) in case number 97-11-38983. Based on this conviction, Clements is required to register for 25 years pursuant to the Sex Offender Registration and Notification Act. In July 2007, Clements registered in Oregon providing an address in Portland. On that registration form, Clements acknowledged, if he moved out of state, he was required to register with the appropriate agency in the new state. Additionally, in December 2006, Clements was convicted of failing to register as a sex offender in Bay City, Florida after having moved to that state and not registering. In or about October 2007, Clements traveled in interstate commerce from Oregon to Tucson, Arizona to reside. In November 2007, Clements moved to 250 North Arcadia #1002 in Tucson where he continued to reside until February 15, 2008. A records check verified Clements has never registered as a sex offender in Arizona. All this is in violation of 18 U.S.C. Section 2250.</p>
